California Fruit Express was a 19th-century private car operator. This rarely seen, but prototypical, road name is a perfect companion to our 2021 Convention cars celebrating our upcoming California convention. You will also find that it is equally capable of fitting in with any woodside-reefer-era consist. These 3-rail Atlas O "Rebuilt" 40' Woodside Reefers are available in two road numbers; Road #28508 is inside a red diamond and Road #28512 is inside a green diamond. Order each car separately or take advantage of a special combo price for the pair.
